

Eagle's Wings Legacy Campaign

*Ensuring a Future  
for Generations to Come*

# We were told to dream big because God's dream was even bigger.

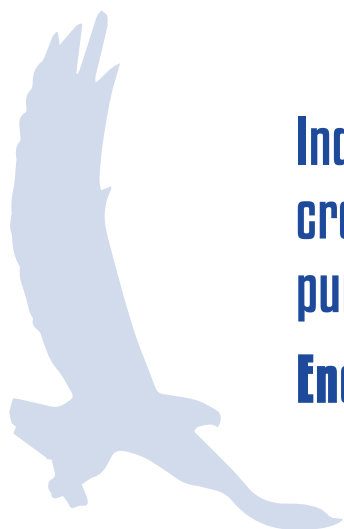

**I**t is so important to provide young people a place to step away from the secular world and discover the truth about themselves and God's deep love for them.

Eagle's Wings Retreat Center grew from simple beginnings to the two campuses on 120 acres that can now house and feed over 250 people in facilities designed for the purpose of retreat.

The Mission of Eagle's Wings Retreat Center is to enrich the lives of Catholic and other Christian youth and their families by providing a Christ-centered environment with retreats and facilities in a natural environment.

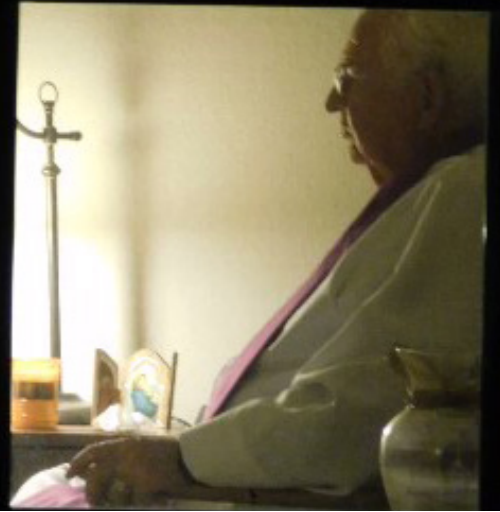

**Indoors and outdoors, Eagle's Wings has worked to create a retreat environment that facilitates the singular purpose of retreat...**

**Encountering God and experiencing His love**

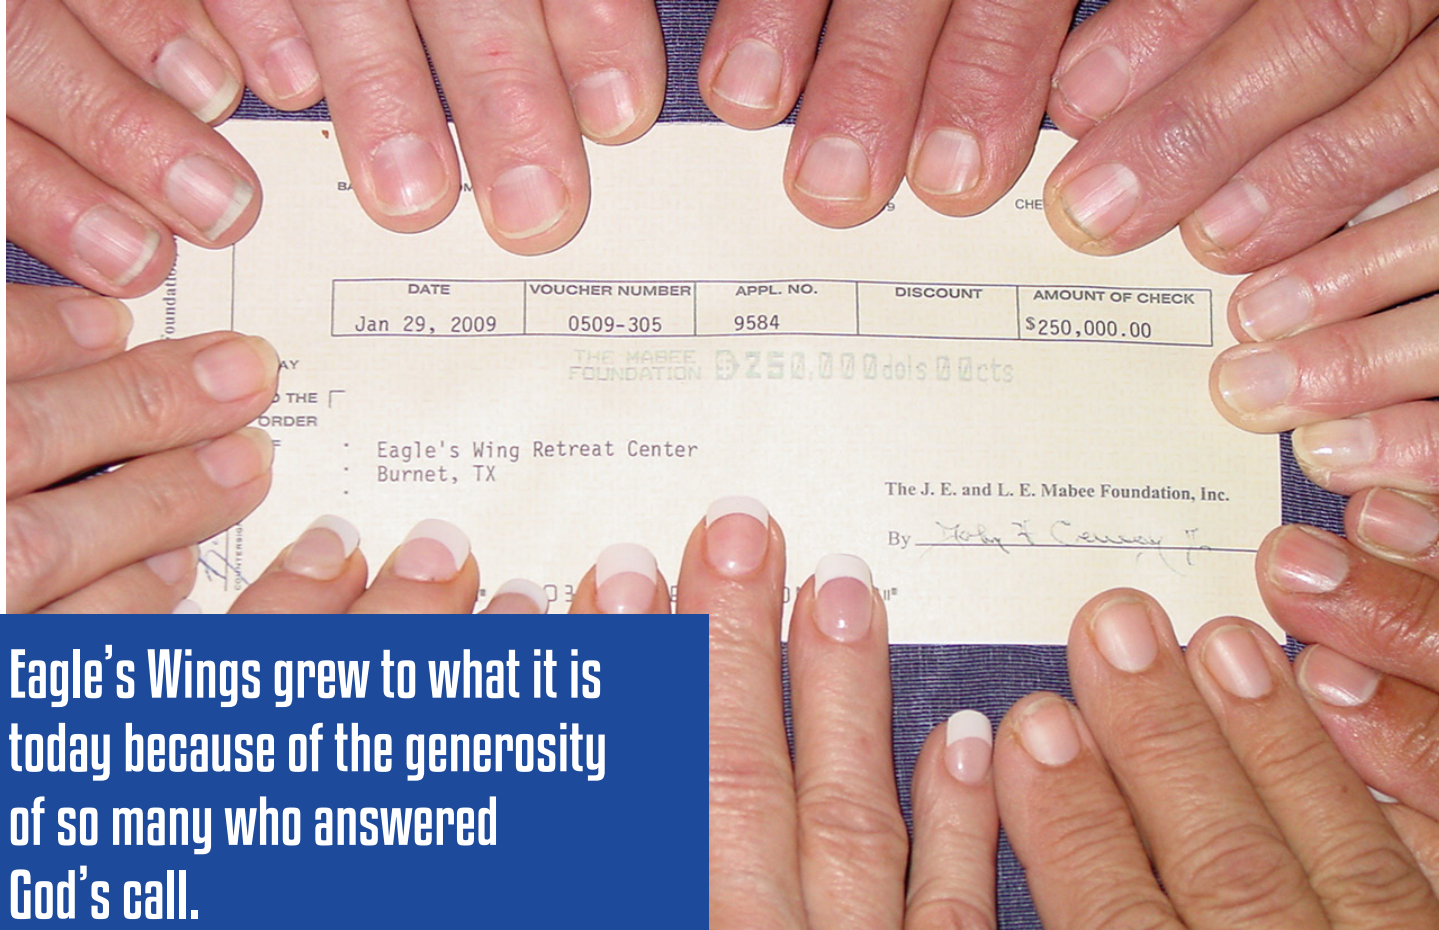

## Vocations as priests, religious, social justice workers, medical careers and more

Eagle's Wings grew to what it is today because of the generosity of so many who answered God's call.

The volunteers, generous contractors and the many people who have supported this project with their donations have made this dream come true. God continues to lead the founders and the Board of Directors. He has opened the hearts of many benefactors.

Bishop McCarthy called it *"one of God's little miracles!"*

Good stewardship  
of the many  
blessings  
received has  
enabled Eagle's  
Wings to operate  
debt free.

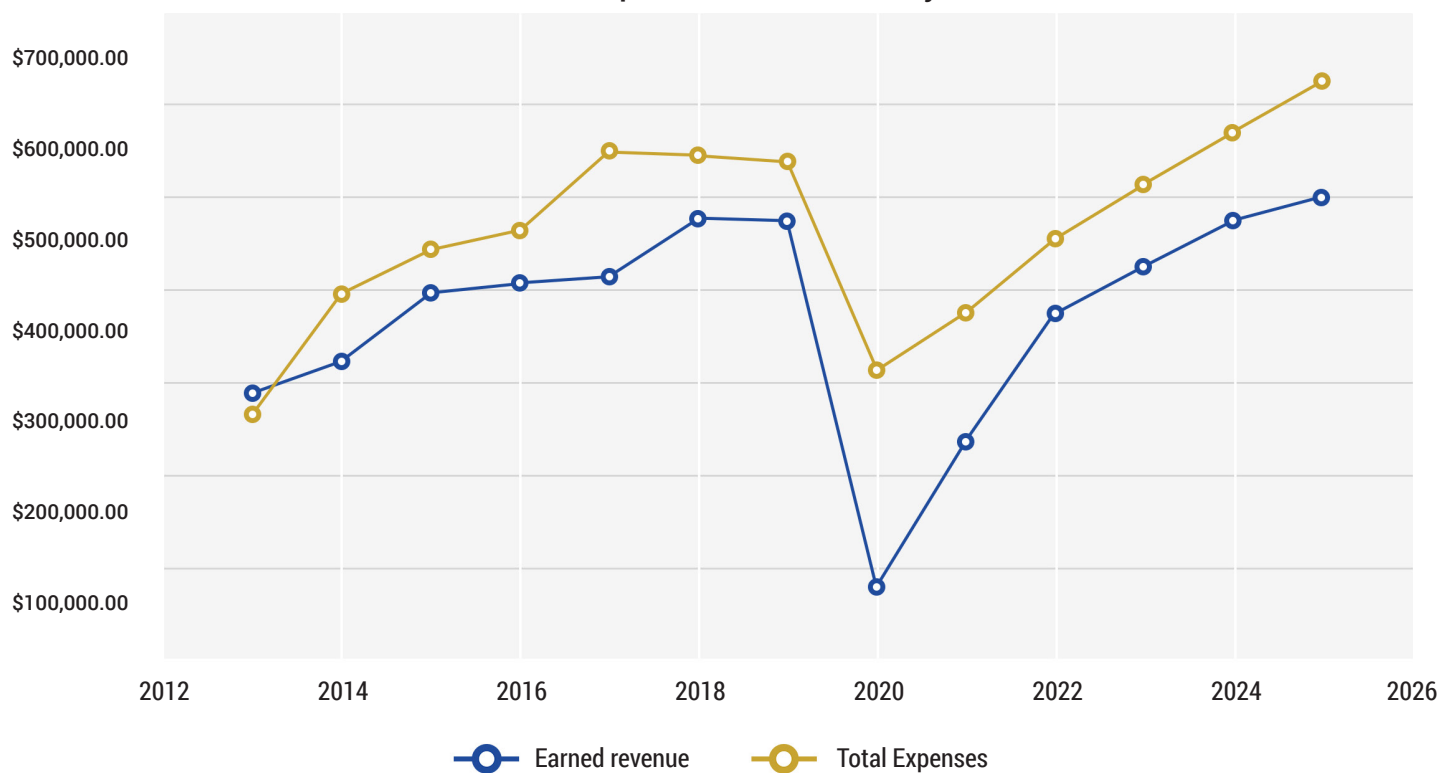

Blessings include financial gifts, gifts in kind, and continual  
assistance from volunteers.

## Revenue/Expense Actual and Projected

Salaries and wages, general overhead,  
and maintenance costs will outpace income

Assured financial stability requires the  
additional funds an endowment will provide

The proceeds from achieving the Endowment goal  
will provide approximately \$200,000 annually

OUR GOAL

**\$5,000,000**
